On April 25, 2013, the parties filed a stipulation to amend the Second Amended Complaint to include Trident General Contractors, Inc. as a Plaintiff and to include Trident as a Counter-Defendant in the Counterclaim. ECF No. 35. In addition, the parties stipulated to an extension in the case schedule due to the fact that the trial in the underlying action was continued from May 5, 2013, to July 29, 2013. *Id.* The parties' proposed schedule will not, however, allow the Court enough time to hold a hearing on the parties' dispositive motions, should the parties choose to file them. Accordingly, the Court DENIES the parties' stipulation to extend deadlines. The parties may propose a revised case schedule in their joint case management statement to be submitted prior to the June 27, 2013 case management conference.

IT IS SO ORDERED.

Dated: May 5, 2013
